

THE CHILDREN'S PLACE

NEWSLETTER

APRIL 2008

What is up for April

WOW! Do you believe April is already here? We'll introduce spring and the special way as we welcome and celebrate the new season. During the "Week of the Young Child", April 23 through April 27, we will celebrate the children with a special event each day.

Monday: P.J. Day or Crazy Day(We will play outside)
Tuesday: Face painting day
Wednesday: Ladybug day
Thursday: Pirate Day
Friday: Jump in the jumpy day

Finally, we shall discuss with the children the Three R's (Recycle, Re-use, and Reduce) and how we can do our small part to make this planet a safer and happier place.

Our special field trip this month is on Thursday, April 24. We are going to Happy Hallow Park & Zoo. We will leave here around 9:00 a.m. and return around 3:00 p.m. We would like as many chaperones as possible. See if you can get the day off. It will be a fun and happy trip.

DIRECTOR'S NOTES

Remember to bring your child's sheet, pillow, stuffed animal, and blanket home weekly to wash. **Use your child's bag to transfer bedding.** If you need an extra one, you can purchase one through Lisa for \$10.00
Is your child's spare clothes bin full????

Sun is here. We have a collection of Sun Screen to protect the children from the sun. If your child needs a special cream, or you would not like us to sun screen you child, please let us know in writing.

Lice alert. No, we do not have lice, but experience tells me that spring is about when those little critters begin to pop up. So be alert and watch for signs like excessive itching. (I'm itching writing this) If you find lice, please do not bring your child to school until all nits are gone. It is difficult to clear the whole school of lice. I like the preemptive approach this is just for you information.
