JULY 2009

What is up for July

This month we will enjoy a fun summer program. We are currently interview to replace Teachers Mikka & Vanessa's positions. This has pushed our clean-up week back. Once we have our staff in place, we will bring substitutes in and clean the classrooms together in one week. I will keep you informed of when the children will move up to the next classroom. We have a Pony Party and Petting Zoo scheduled for Thursday, July 9 between 10:20 & 11:30.
