MARCH 2008

WHAT'S UP FOR MARCH

Our themes this month are things that live under the water, spring and Easter. During this month we shall discuss the animals that live under the sea to prepare for our Marine Inland Voyage visit on Tuesday, March 18.

We will also discuss the celebration of St. Patrick's Day. Remember to wear green on Monday, March 17. We end the month's discussions with a look at how people celebrate the holidays of spring and the change of the season from winter to spring.
